How to Use This Index

This index represents a topical categorization of all Case Developments, Advance Sheet Highlights, articles, columns, and Federal Register Highlights that have been reported in the *Clearinghouse Review* during its 20th volume year, May 1986 through April 1987.

The Casetable lists all cases reported in either the Case Developments or Advance Sheet Highlights sections of the *Review* in alphabetical order. For each case, the following information is provided: the Clearinghouse Number, in brackets; the Accession Number(s), in numerical order; any case citations or date of decision, reported with the most recent citation last; and the page number(s) of the *Review* on which the case appears.

The Topical Index classifies all cases reported in the Case Developments and Advance Sheet Highlights sections of the *Review*. Most headings contain *see* and *see also* references directing readers to other major subject headings for information on that topic. Within each major heading, the cases listed are divided into subtopics, often spanning two or more levels of categories representing the most specific issues covered by that case.

Users are advised to search the categorical sections, and then to refer to the Casetable for more detailed information.

The Articles and Columns sections of this index list articles and columns published in the *Review* by author name and by topic. The Federal Register Highlights section lists items under major headings only. Items are listed alphabetically within each category and include the page numbers on which the items appear.

For comprehensive research, readers are advised to use this index in conjunction with the Cumulative Index to volumes 1-17 of the *Clearinghouse Review* and the Annual Indexes to volumes 18 and 19.

ACKNOWLEDGMENTS

The Clearinghouse is pleased to publish the Annual Index to Volume 20. Readers are reminded to use this Index in conjunction with the Cumulative Index to Volumes 1-17, the Annual Indexes to volumes 18 and 19, and the LSC Data Base maintained on the Lexis and Westlaw computer systems for comprehensive research into Clearinghouse case files.

Editorial work on the index is done at the Clearinghouse and is a year-round project, supervised by Index Editor, Michelle Nicolet, who also does much of the indexing work herself, as well as copy editing for the *Review* and other Clearinghouse publications. Special thanks are due to Michelle for her work as Index Editor.

Thanks are also due to secretary, Vicki Broom, for typing index entries into the Clearinghouse computer; to law clerk, Laura Clukey for editorial assistance and final cleanup; and to Anne Forbes Wangman for proofreading, production, layout, and cover design. We also appreciate the efforts of the rest of the Clearinghouse staff who made suggestions and helped in other ways.

Michelle has already begun work on the Volume 21 Index. We view our annual indexes as crucial to your legal research, and they make all the monthly issues more useful. If you have suggestions and comments on ways to improve the Index, please write or call.

CASETABLE

This is an alphabetical listing by case name of cases that have appeared in the Clearinghouse Review for the period covered by this index. The five-digit bracketed numbers are the Clearinghouse Numbers and must accompany all document reprint requests. The seven-digit numbers are the Accession Numbers (Acc. No.), identifying codes for materials in the LSC Data Base and in the Clearinghouse microfiche library. A case may have more than one Accession Number; new numbers are assigned to a case as new pleadings become available to the Clearinghouse. The LSC Data Base is available to legal services attorneys only. The Clearinghouse microfiche file is now available to non-LSC-funded attorneys; for more information contact Bob Serafin at the Clearinghouse. Official citations to cases listed in the Casetable are current as of mid-June 1986.

HOW TO USE CLEARINGHOUSE SERVICES

All of the items in the Case Developments section of the *Clearinghouse Review* are available to non-LSC funded subscribers for a nominal copying and mailing charge. All you have to do is fill out the order form below, giving the number, letter and title of the item that you want.

Many of the articles and case developments that appear in the *Review* are sent to us by persons in legal services offices who wish to share their work with the rest of the community. We strongly urge readers to send us all case developments of significance. We also encourage people to submit articles for possible publication. Articles should discuss

topics of relevance to legal services. We are oriented toward publication of "how-to" articles which will help other legal services attorneys and legal workers in the day-to-day practice of law.
